

Research position at IRCCS Sacro Cuore Don Calabria Hospital

A position (collaboration contract for a senior research physician) is open at our Institute (Department of Infectious/Tropical Diseases and Microbiology, IRCCS Ospedale Sacro Cuore Don Calabria, Negrar di Valpolicella, Verona).

We are looking for a medical doctor with extensive expertise in research topics concerning tuberculosis and/or antibiotic resistance/bacterial infections.

Education and experience

Medical degree; PhD or comparable qualifications are preferred. Documented research on the infectious disease topics described above.

Language level

The researcher should be fluent in English and should have good writing skills (articles and research projects). Knowledge of other languages is an advantage.

Working conditions

Research leader in the area of expertise. Contract: full-time. Salary range: to be defined

Selection process

The selection process will be based on the CV (pre-selection) and individual interview of pre-selected candidates.

How to apply

Applicants should send their CVs by e-mail to: segreteriaScientificairccs@sacrocuore.it and dora.buonfrate@sacrocuore.it indicating 'Application' as the subject of the e-mail.

Applications will be open until 15th March 2025. Applicants will be informed by e-mail of the results of the pre-selection.

Further information can be asked to Dr. Dora Buonfrate (dora.buonfrate@sacrocuore.it); please copy to segreteriaScientificairccs@sacrocuore.it).
